Extra Virgin Olive Oil Tastings & Sales

Our olive oil is produced from olives grown in our cool climate of central Victoria. The olives are hand picked and pressed locally, resulting in a high quality olive oil.

We currently produce lemon, herb and plain extra virgin olive oil in bottles as well as 4 litres of plain extra virgin olive oil.

The olive oil is available for tasting and can be purchased at the property or via the post.

Wallaby Creek Olive Grove, Musk is 8 km from the roundabout at the centre of Daylesford, along the main road to Trentham (a 5 minute drive from Daylesford).

Open Saturday & Sunday
10 am to 5 pm
